President's Message

Dear colleagues,

As I take on my new role as President of the Fascia Research Society, I am thrilled to extend a heartfelt invitation to join us at the Seventh International Fascia Research Congress, which will take place August 10-14, 2025, in the vibrant city of New Orleans, Louisiana, USA. This extraordinary event is a testament to our collective passion for advancing the understanding of fascia and its profound impact on human health and movement.

The Fascia Research Congress has always been a beacon of collaboration and innovation, bringing together a diverse community of researchers, clinicians, and practitioners from every corner of the globe. This year, we are committed to creating an even more inclusive and dynamic experience. Our program will feature a rich tapestry of presentations, workshops, and discussions, showcasing the latest advances in fascia research and its practical applications. Whether you are a seasoned expert or an emerging voice in the field, we invite you to share your insights and learn from others. We encourage you to join us as we celebrate the diversity and richness of our community. Together, we can continue to push the boundaries of fascia research and its applications in healthcare and beyond.

This congress is more than just an event; it is a celebration of our shared passion for discovery and our commitment to improving lives through science and collaboration. I look forward to welcoming each of you in New Orleans as we connect, collaborate, and forge the future of fascia research together!

Yours Truly,
Fabiana Silva
